Participants are encouraged to register more than 15 minutes prior to the start of the call. A live and archived webcast can also be accessed via the [News & Events](#) page of the investor section of Mobia Medical's website.

About Mobia Medical, Inc.

Mobia Medical, Inc. is a commercial-stage medical device company redefining stroke recovery for survivors living with life-altering motor impairments. The Company's Vivistim® Paired VNS™ System is the first and only clinically validated, FDA-approved implantable solution designed to improve upper limb function in chronic ischemic stroke survivors with moderate to severe upper extremity impairments. Therapy with the Vivistim® Paired VNS™ System combines targeted vagus nerve stimulation with functional movement to promote neuroplasticity and drive meaningful improvements in motor function. Mobia Medical is mobilizing patients, providers, and care partners to establish a better way forward in stroke care.
